**Acupressure for Midwives Workshop
Friday 9th March 2012**

Time: 8.30am registration 9.00 start—4.00pm

The “Acupressure for Midwives” 1 day workshop including an overview of acupressure as part of Traditional Chinese Medicine, research on the use of acupressure in labour and breech presentations, and the role /involvement of the partner and support persons using acupressure points for women in labour.

This workshop has a practical hands-on session that involves locating 10 acupressure points along with written information and diagrams: acupressure for specific problems such as pain relief in labour, breech and posterior presentations, induction of labour, delayed second stage, retained placenta, afterbirth pains and breast feeding issues!!!!

Debra Betts has given permission for Lyndall Mollart and Bernadette Leiser to present her workshop in Australia.
